### Rebus of dead warrior, the Mole Hill Petroglyph

Rain (Sade) spoke to the men; Big Tree (Aarnio) will take care of us.

This complicated rebus of a dead warrior combines Old European and Irish Ogham. The scribe drew the last letter ME like a heart because the dead warrior was the scribe's father.

*Figure 1: Mole Hill Petroglyph, second rebus of dead warrior.*

Rebus + Ogham

SA PU MI; A-NI HO ME.

Finnish decipherment

Sade puhui miehien; Aarnio hoitaa meidän.

English

Rain spoke to the men; Big Tree will take care of us.
